Newsletter and Weekly Prayer Sheet

Notes from the parish pump

I really am looking forward to being with you all this week for time of private prayer only but we are planning to have a Eucharist service on the 16th August.

Paul, Brenda and Gwen have seen to it that Church has been cleaned for you too.

If the weather is fine we shall have seats in the rear garden to sit and have a chat with each other and meet up but we are not yet able to serve tea and coffee.

SEVEN THINGS TO QUIT WHEN YOU CAN

- 1, Trying to please everyone.
- 2, Fearing change.
- 3, Living in the past.
- 4, Putting yourself down.
- 5, Overthinking the problem.
- 6, Eating junk food.
- 7, Not taking care of yourself. And be kind to one another even if you disagree on certain issues.

Sound simple advice sent to me recently, I felt it was worth sharing.

Blessings to you all From The Bothy,

Alan & Carolyn

The Collect

Almighty Lord and everlasting God,
we beseech you to direct, sanctify and govern
both our hearts and bodies
in the ways of your law's
and the works of your commandments;
that through your most mighty protection, both here and
ever,
we may be preserved in body and soul;
through our Lord and Saviour Jesus Christ,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.

"Welcome to our church—even though
you're sitting in our family pew"

This Weeks Commemoration' The Salvation Army

The Salvation Army began on the streets of East London in 1865 when Methodists, William and Catherine Booth, abandoned the traditional concept of a church pulpit to take God's word directly to the people. The Booths preached and lived out a doctrine of practical Christianity — soup, soap and salvation — to encourage both social and spiritual transformation among society's most vulnerable and marginalised people.

Their work included setting up shelters for people who were homeless, a family tracing service, running soup kitchens, helping people living in the slums and setting up rescue homes for women fleeing domestic abuse and prostitution. The couple also oversaw the

world's first free labour exchange and campaigned to improve working conditions.

The Salvation Army movement spread rapidly across the British Isles and within decades was established across the globe in countries such as America, Canada, Australia, France, Switzerland, India, South Africa, Iceland, and Germany. The challenges people were facing in the late 19th Century — homelessness, addiction, loneliness and unemployment — are much the same as today. The Salvation Army has continued its founders work, tackling issues and working at the heart of communities to offer practical help, unconditional assistance and support to transform lives. Today, The Salvation Army is a church and charity that is active in virtually every corner of the world and serves in more than 130 countries offering God's hope and love to all those in need without discrimination

Hope to see you soon.
